Dear Austin

Thank you for submitting videos for our recent online auditions for admission to the Luitingh Alexander Musical Theatre Academy at Theatre on the Bay.

We are delighted to inform you that your audition was successful, and you are hereby offered a place amongst our specially chosen 2021 LAMTA intake. We are also delighted to inform you that we have secured a Bursary generously donated by one of our Patron's to support your Tuition Fee at LAMTA. Please note that this Bursary is for the duration of the 3-year LAMTA program and is subject to annual review based on your performance. This bursary covers the LAMTA Tuition Fee only, so you will still have to make provisions for accommodation, travel and living expenses.

As these sought-after places at LAMTA are limited, we require formal written notice of your acceptance of this placement offer within 2 weeks of receiving this email. Should you choose to accept our offer, we will proceed with the necessary steps and send you Registration Forms and our Student Handbook.

Please feel free to contact us if you have any questions or concerns: info@lamta.co.za.

Congratulations and Welcome! We look forward to having you join the family at LAMTA!
- A world of artistic growth awaits you.

Kind Regards,

Duane Alexander & Anton Luitingh
